

By making a contribution to **The German Village Blooming Fund**, you can definitely avoid three things:

1. Dirt under your nails
2. Muscle relaxers for your aching back
3. The sting of sunscreen dripping into your eyes

HERE'S WHAT WILL HAPPEN INSTEAD:

Splashes of glorious color will appear

in Frank Fetch Park, at the foot of the Schiller monument, in the flower boxes on Third Street and in the Welcome gardens at the entrances to Schiller Park.

The Blooming Fund – created this year to simplify fundraising efforts – benefits the German Village Garten Club and the Friends of Schiller Park in a 50/50 collaboration. (The Huntington Garden committee will continue to do their own fundraising.)

The German Village Garten Club maintains Frank Fetch Park and plants and cares for the flower boxes along Third Street (and decorates them for the holidays). The group offers great educational programming and has been growing friendships and gardens for 47 years. If you would like to attend a monthly program, join the organization, place a pre-order for this year's Garten Market, or just learn more please go to www.GermanVillageGartenClub.com.

The Friends of Schiller Park is a committee of the German Village Society dedicated to providing support, advocacy, and sweat equity for the most beloved 23 acres in Columbus. Sign up to receive information about projects and events at www.FriendsofSchillerPark.org.

Character lives on.
