Investigating and Troubleshooting

When's the last time you looked at your house? *Really* looked at it?

The **Investigating and Troubleshooting** workshop provides inspection tips for examining the roof, drainage system, masonry components, and wood components. Important safety issues, such as lead paint, will also be discussed. Whether you plan to make repairs yourself or hire a contractor, you'll gain knowledge of old house materials and be better prepared to care for your home for years to come. If you're thinking about purchasing a house, this workshop is for you too!

Workshop fee is \$5.00

Date/Time:

Saturday, March 9th, 10:30 am to 12:30 pm

Location:

Barack Recreation Center, 580 E. Woodrow Ave.

This workshop is being held in conjunction with the South Side Housing Expo. Attend the Investigating & Troubleshooting workshop and stay for the Housing Expo, 1:00-5:00, featuring over 15 vendors.

SPACE IS VERY LIMITED FOR HANDS-ON WORKSHOPS, SO PLEASE REGISTER EARLY. FOR DETAILS OR TO REGISTER FOR WORKSHOPS, CALL 614-221-4508 OR VISIT www.columbuslandmarks.org.
